

Dear Moorlands Graduate

New 'GPS' system (Graduate Prayer Sheet)!

Prayer Support. As you're aware, Moorlands are dedicated to the ongoing support of all our graduates through regular prayer. Staff and students gather to spend time before Monday and Friday lunch breaks, using graduate files with information sheets, to pray for individuals.

Improved System. Recently, we carried out a review and have upgraded the current process in a way that (we hope) will "be an answer to your prayers"! All our prayer files now contain up-to-date prayer sheets and so we can now provide you with a much-enhanced prayer support service.

Graduate Prayer Sheets (GPS). As you can see from the attached documents, we have redesigned the form to make it more user-friendly, both for you completing it and us praying for you. Please fill it in by typing in the space provided, (include a digital photograph of yourself) and send it to prayer@moorlands.ac.uk, the prayer sheet must fit on one side of A4. These GPS's are the only documents used to pray for you, so please send us one regularly (we no longer use newsletters for these prayer times).

The benefits of this new GPS system include:

- **you can save it as a 'Word' document**
- **your next prayer sheet will already contain the basic details**
- **it assists us as we pray for you, as these sheets are easier to read**
- **easier and faster to revise and update your prayer sheet**

We would suggest that you should submit a revised a new prayer sheet every term, and also whenever a major change occurs.

Feedback. We not only want to pray for you, but would also love to praise God for any answers to prayer you've seen. For this reason we have included a box in the revised form for this information.

Future. We are committed to this prayer partnership between you and the college. We are currently investigating a means for sending urgent prayer requests via our website (hopefully ready this summer). We can guarantee that we will pray regularly for you using the GPS, but we need your help to develop the service.

Please complete and return the attached form today and allow us to pray for you, your family, your ministry, and any other on-going requests.

Send it to: prayer@moorlands.ac.uk
