Payment of Fees:

- 1 The fee for each taught module is due in full by the end of the first Study Block of that module. Once started, the full module fee is due, even if the student withdraws partway through a module. The fee for the Dissertation is normally due at the start of the third academic year. The annual enrolment fee is due at the start of each academic year but, in the first two academic years, can be paid at the same time as the first module payment.
- 2 Students may only proceed to the next stage of study if fees for the previous stage have been fully paid.
- 3 Fees shown are applicable only for the above academic year and are likely to rise, normally in line with inflation, in future years.

Notes:

- a The enrolment fee is payable for every year the student is enrolled in the MA, whether or not modules are taken.
- b Students require 180 CATS points for the MA and normally take modules totalling 60 CATS points per year.
- c This is reduced to £930 for students who first enrolled in academic year 2016/17 or earlier.
- d The registration charge is payable prior to the start of the course. This is a one-off charge and is not refundable.
- e The discounted registration charge will apply for all students registering before 31 May, or those registering within two weeks of the offer of a place.
- f Each module fee includes lunch and evening meal (as applicable) during Study Blocks but not overnight accommodation. If required, this should be booked in advance and paid for during the Study Block. Accommodation and meals at other times outside the Study Blocks may be possible – these must be booked in advance with Reception and paid for during the stay.
