DBS check (where required)	80	
Christchurch Campus Community Council levy	Set by student reps	f
Resident's room/key deposit (refundable)	30	
Returning resident's room booking deposit (refundable)	100	

Payment of Fees:

- 1 Once a student has been registered as attending at the start of an academic year, Tuition and Maintenance fees for the full year apply. Where a student withdraws or suspends study from a course during the year, the full fees for the year are still due.
- 2 Tuition and Maintenance fees can be paid in full at the start of the academic year and a discount of 0.5% will be given if fees are paid by 20 October (the discount does not apply to Student Loan payments or one-off charges). Alternatively, payment of Tuition and Maintenance fees can be spread over 3 equal instalments, to be paid by 20 October, 20 January and 30 April, unless otherwise agreed.
- 3 Unpaid fees are liable to incur a late payment penalty of £10 per month until the balance is cleared. Where part-payment of instalments are made, these will be used first to clear Maintenance Fees and then Tuition Fees. Failure to keep up with the schedule of payments normally results in termination of studies.
- 4 Fees shown are applicable only for the current academic year and are likely to rise, normally in line with inflation, in future years.

Notes:

- a Residential Maintenance fees cover the term-time provision of a furnished room, meals on a full-board basis, use of the College washing machines, light and heat. Students in a standard room may be required to share with a Foundation student for one or two nights per week – no reduction will be given for this.
- b Non-resident Maintenance fees cover meals and hot drinks. Lunch is provided for Campus-Based students on term-time weekdays. Placement-Based students have lunch provided one day per week during term-time, with lunch and evening meal provided during block weeks; accommodation (B&B) during block weeks may be available at an extra charge as above.
- c Maintenance fees for Foundation students cover term-time provision of lunch on two days per week and, if required, residential accommodation (usually in a shared room) for one (or two) nights per week with evening meal and breakfast.
- d Registration is a one-off charge that applies to all students. It must be paid prior to the start of the course, and is not refundable.
- e The discounted registration charge will apply for all students registering before 31 May, or those registering within two weeks of the offer of a place.
- f The annual levy amount is set by the student representatives of the Christchurch Campus Community Council and collected on their behalf by the College. As a guide, the amount in 2018/19 was £50 for Campus-Based students, and £25 for others.
