Payment of Fees:

- 1 Once a student has been registered as attending at the start of an academic year, Tuition and Maintenance fees for the full year apply. Where a student withdraws or suspends study from a course during the year, the full fees for the year are still due.
- 2 Tuition fees can be paid in full at the start of the academic year and a discount of 0.5% will be given if fees are paid by 20 October (the discount does not apply to Student Loan payments or one-off charges). Alternatively, payment of Tuition fees can be spread over 3 equal instalments, to be paid by 20 October, 20 January and 30 April, unless otherwise agreed.
- 3 Unpaid fees are liable to incur a late payment penalty of £10 per month until the balance is cleared. Where part-payment of instalments are made, these will be used first to clear Maintenance Fees and then Tuition Fees. Failure to keep up with the schedule of payments normally results in termination of studies.
- 4 Fees shown are applicable only for the current academic year and are likely to rise, normally in line with inflation, in future years.

Notes:

- a This fee covers the use of College accommodation and meals during the BA study blocks held at Moorlands Christchurch campus. It also covers lunches and hot drinks during study blocks at the Regional Centre.
- b This fee covers lunches and hot drinks during study blocks at the Regional Centre.
- c Registration is a one-off charge that applies to all students. It must be paid prior to the start of the course, and is not refundable.
- d The discounted registration charge will apply for all students registering before 31 May, or those registering within two weeks of the offer of a place.

Additional Midlands Regional Centre charges:

There are between three and six study block weeks held locally at Midlands Regional Centre. The costs of lunch and teas/coffees during these study blocks are covered in the maintenance fees above. You should arrange and pay for your own accommodation and other meals during those weeks, as needed.
