Payment of Fees:

- 1 Once a taught module has been started, the full module fee is payable, even if the student withdraws partway through a module. The fee for the Dissertation becomes payable at the start of the third academic year. The annual enrolment fee is payable for each academic year (see also note a).
- 2 Tuition fees can be paid in full at the start of the academic year and a discount of 0.5% will be given if fees are paid by 20 October. Alternatively, payment of tuition fees can be spread over 3 equal instalments, to be paid by 20 October, 20 January and 30 April, unless otherwise agreed.
- 3 Students may only proceed to the next stage of study if fees for the previous stage have been fully paid.
- 4 Fees shown are applicable only for the above academic year and are likely to rise, normally in line with inflation, in future years.

Notes:

- a The enrolment fee is payable for every year the student is enrolled in the MA, whether or not modules are taken.
- b Students require 180 CATS points for the MA and normally take modules totalling 60 CATS points per year.
- c The registration charge is payable prior to the start of the course. This is a one-off charge and is not refundable.
- d The discounted registration charge will apply for all students registering before 31 May, or those registering within two weeks of the offer of a place.
- e Each module fee includes lunch and evening meal (as applicable) during Study Blocks but not overnight accommodation. If required, this should be booked in advance and paid for during the Study Block. Accommodation and meals at other times outside the Study Blocks may be possible – these must be booked in advance with Reception and paid for during the stay.
