Resident's room deposit <i>(refundable)</i>	150	

Payment of Fees and Charges:

- 1 Where a student withdraws or suspends study from a course during the year, Tuition Fees and Maintenance Charges will be charged according to the College's enrolment and registration policy.
- 2 Tuition Fees and Maintenance Charges can be paid in full at the start of the academic year and a discount of 0.5% will be given if paid by 20 October (the discount does not apply to Student Loan payments or one-off charges). Alternatively, payment of Tuition Fees and Maintenance Charges can be spread over 3 equal instalments, to be paid by 20 October, 20 January and 30 April, unless otherwise agreed.
- 3 Any part-payment of instalments will be used first to clear Maintenance Charges and then Tuition Fees. Unpaid fees will be dealt with according to the student fee debt collection process. Failure to keep up with the schedule of payments may lead to a suspension of enrolment from studies after 90 days, in line with the College's enrolment and registration policy.
- 4 Amounts shown are applicable only for the current academic year and are likely to rise, normally in line with inflation, in future years.

Notes:

- a Residential Maintenance Charges cover the term-time provision of a furnished room, meals on a full-board basis, use of the College washing machines, light and heat. Types of room are subject to availability.
- b Non-resident Maintenance Charges cover meals and hot drinks. Lunch is provided for Campus-Based students on term-time weekdays. Placement-Based students have lunch provided one day per week during term-time, with lunch and evening meal provided during study block weeks; accommodation (B&B) during those study blocks may be available at an extra charge as above.
- c Maintenance Charges for Foundation Year students cover term-time provision of lunch on three days per week and, if required and subject to availability, residential accommodation for two (or three) nights per week with evening meal and breakfast. Subject to availability and placement circumstances, Foundation Year students may be able to apply for full term-time accommodation (as in note a above).
- d Registration is a one-off charge that applies to all new students. It must be paid prior to the start of the course and is not refundable. The discounted registration charge will apply for all students registering before 31 May, or those registering within two weeks of the offer of a place.
- e This is the maximum charge; an application for RPL which is not complex may be discounted by 50%.
- f Annual subscription to the DBS Update Service is also required (£13 in 22/23 but subject to change).
- g If change of mode is agreed before 31 May in the prior academic year, this will be discounted by 50%.
- h The annual levy amount is set by the Christchurch Campus Community Council (CCCC) and collected on their behalf by the College. As a guide, the amount in 2022/23 was £50 for Campus-Based students, and £25 for others.
